### **"This Is Our Life—Yesterday, Today, and Tomorrow."**

For almost as long as we can remember, our school has been our life. Now as we step from this old life into a new one, we are looking back with nostalgia and ahead with expectation.

Yesterday holds many memories. There was the thrill of starting to school, going camping with the Boy Scouts, and selling Girl Scout cookies. In the sixth grade we wondered who would be the grade school basketball champs the next year, who would be Club Coo king and queen. Last year we spent many hours making "Neptune's Gardens," the best prism ever.

Today pep rallies, assemblies, the dedication of the new gym, beautiful Queen Beth, the Skytowers, and our District Champion Generals have made our senior year best of all. Now in our caps and gowns and holding our diplomas we stand in the doorway to the future.

Tomorrow—What does the future hold? For some it means a job; for others, college. Soon many of us will have homes and families. All of us will be praying for a world of peace and unity where men of all nationalities, races, and beliefs can live together in love and freedom.

## *The Superintendent*

Being superintendent of our growing school system makes Mr. Bodenbender's days very busy. Wooster High and its students, however, hold a special place in his life. He is never too busy to guide and counsel them.

## ***The Board of Education***

"This Is Your New Day in Education" says the Wooster Board of Education. One of the most important projects of the Board during the past year was the publication of a booklet entitled "This Is Your New Day in Education." The booklet shows by means of graphs, pictures and words the growth and cost of our physical plants over the past decade. It also includes many other factors of interest concerning our schools.

Dr. E. E. Holt, Superintendent of Public Instruction in the State of Ohio, was the featured speaker last fall at the dedication of the new gymnasium and shops. The addition to the Canton High School was also dedicated at this time. New equipment has been added in several departments. A display case on the second floor of the high school has facilitated the teaching of Discovered Education. Additional equipment has added to the effectiveness of the program in science.

This year the Board has begun work on a project which will be facing them in the future that of welding the Madisonburg School District to the Wooster City School District. With this annexation, our school district will have over 4,000 students.

Dr. William Schultz .....	<i>Vice-president</i>

## *THE ALMA MATER*

Oh, come, let's sing our Wooster's praise  
And songs to Alma Mater raise:  
And for the school we hold most high,  
We'll raise our voices to the sky.  
To her, we pledge our hearts and hands,  
And loyal to her each one stands;  
Preserve her honor, far and near,  
Because we love her, Wooster dear

## Student Council

The school organization that constantly works for the benefit of all students is the Student Council.

This year has been a history-making year for the Council, as a number of new features were added to the already existing Council program. The very eventful Homecoming Dance was an undertaking of this group, as was the Sweetheart Dance in February. At this dance a King and Queen were crowned.

The Inter Club Council, made up of presidents, was organized in January. It meets once a month to work on club problems and to coordinate the student activity work in the high school.

The regular services of this organization include the sale of S.A.T.'s, annuals, the magazine sale, taking tickets for assemblies, decorating the Christmas tree, keeping an honor study hall and co-sponsoring Parents Night for basketball.

The Student Council has always worked with the faculty to solve school problems. This year they worked on a system for using the new gym during noon hour.

The Council sent two delegates to both the national and state conventions.

## National Honor Society

One of the most respected clubs is the National Honor Society. It is an honorary organization for those who have achieved recognition in the fields of scholarship and service. The student must be active in extra-curricular activities as a leader, and scholastically, he must be in the upper third of his class. He is also judged on service and character by a vote of the faculty and students.

Of each class, fifteen per cent are admitted. Five per cent are inducted in the junior year; the remaining ten per cent, in the senior year.

The program of thought and devotion service is held in the spring. New members are told of the high ideals of the society and are challenged to strive toward these goals.

## Library Club

Through the silent service of Wooster High School's Library Club, without the student assistants it would be impossible for our library to provide the excellent services it offers to the students. The assistants check out and in, card, shelve, and inspect books, magazines, and pamphlets. They also help fellow students utilize the facilities of the library. Members assist in decorating the library's four bulletin boards which provide colorful suggestions for good reading.

Any student who wishes to work in the library attends training sessions during a home room period on Wednesdays. He also learns as he works during study hall or before or after school.

Many Library Club members have gone on to part-time jobs in public and college libraries.

There has been social events at the end of a long parties, the party for the Junior High Library Club, and the faculty tea at which the new books of the library are displayed.

## Senior Hi-Y

Services performed for the school and community have been the highlights of the Senior Hi-Y during its three years. As sophomores members sold football pep balloons. As juniors the boys operated the concession stands for the Miss WWSU pageant and the night races. In both the junior and senior years the boys helped sell balloons and crutches for the March of Dimes. As seniors they presented the Christmas assembly and delivered Thanksgiving baskets to needy families in the Wooster vicinity. In co-sponsorship with the Hi-Y they helped with Halloween festivities.

Some of the social events of the club included parties, smorgasbords and the annual Mother-Son banquet.

Throughout the years the Senior Hi-Y has attempted to follow the Hi-Y motto of "Clean speed, sportsmanship, scholarship and living" as well as the Hi-Y purpose "To create, maintain and extend throughout the home, school and community high standards of Christian character."

## The General

The purpose of Wooster High School's journalistic outlet, the *General*, is several fold — to report the news, to give training in the field of journalism, to become self-supporting, and to equip its adviser, Mr. Grouver, with a greiving top.

The editorship, a position shared by Sandy Hudson and Pam Jameson, has made the paper a part of the student body. Donations have been made to help with the paper's expenses, and the protection of money through the school's bank account has been maintained.

The *General* does give "two whoops for Wooster High School" and hopes to continue its long and fine record of service and reporting.

The *General* is a self-supporting newspaper, published weekly by the students of Wooster High School. A subscription is included in the purchase of a student activity ticket. Single copies sell for 10 cents.

## Filmbreakers

The Filmbreakers Club was organized over a decade ago under the supervision of Mr. Floyd Maurer. The purpose of the club is to assist in growing visual aids to the student body. Also the club teaches the members the responsibility that goes with operating the projection equipment.

Some of the various duties of the club are to show films, to report for assignments every morning, to maintain the projectors, and occasionally to splice films. The club at the present time has sixteen members including three officers, who, with the aid of the club adviser, take care of the business matters.

## FTA

One of the service clubs is Future Teachers of America, which was organized in 1947 in honor of former superintendent, Clifton M. Layton.

Members of the club serve the school through the following activities—grading papers, taking attendance in class, and ushering for different school activities such as P. T. A. Open House, the Christmas Sing, and dedication of the new gym.

A major project of the year is the Elementary Observation and Participation Project when the juniors and seniors of the club observe and teach for two days in elementary schools. Another project is selling bookcovers in the fall. This year the club sponsored a post dance, proceeds of which went to the scholarship fund of the club. Each year the club decorates for Commencement and Baccalaureate. The May Breakfast which is the recognition of the seniors of the club, climaxes the year's activities.

Gerry Richardson and Cynthia Catliff represented the club as ushers at the N. E. O. T. A. Convention at Cleveland in the fall. Cindy Catliff and Jeanne Moore were delegates to the fall state conference of F. T. A. held at Columbus.

## *Future Nurses*

The Future Nurses Club, which was started in 1956 is a fairly new organization. This year we had approximately sixty members interested in the club.

Some of the club's activities included a tour through Apollo Creek State Hospital, an impressive candlelight induction service, a picnic, various speeches, and meetings which were held on the fourth Thursday of each month.

The purpose of the club is to interest girls in the career of nursing and to help them acquire further knowledge of this career.

## FFA

The Wooster Chapter of the Future Farmers of America, completed another busy and successful year. The chapter had two meetings a month on the second and fourth Wednesdays of the month.

Larry Acker received the State Farmer award. The Wooster Chapter was represented at the luncheon honoring the national FFA officers at Cleveland February 17 by Russell First, Stewart McCoy, John Metcalf, Joe Bowen, Dave Myers, and Mr. Boling, adviser.

The chapter placed second in the Wayne County Parliamentary Procedure Contest which was held at Norway and received a gold rating. Larry Acker placed second in the district in the extemporaneous division of the public speaking contest and Russell First received a silver award in the prepared division.

In November we had Terry Tracy exchange student from Parma. Dave Myers went to Parma as an exchange student in February.

In May we held our skilled driver contest.

In June the State FFA Convention will be held at Columbus and in July the State FFA will be held at Camp Muskingum.

Throughout the year we had a radio program per month on the program of "Your School Today" and also sponsored a bake sale. In September the FFA chapter went to Peabody, Ohio to the International Plowing Contest.

National FFA week was celebrated during February 22—March 1 with displays on the grain bulletin board in the high school and a window display in the Wayne County National Bank.

Charles Jentes, a graduate of '57, won the Co-Op test, and was awarded a trip to Fort Collins, Colorado.

The chapter had teams to compete in various contests such as judging dairy, general live stock, land and farm mechanics. In dairy the Wooster team placed first at the Wooster Experimental Station. Paul Carson and Charles Jentes received college scholarships for winning the State Farm Mechanics test. These various teams competed in district, county and state contests.

The FFA chapter had some parties with the FHA.

## DECA

All students enrolled in distributive education are DECA members. Distributive education teaches people for careers in retailing, wholesaling, and service establishments. Students attend school part time and also receive supervised work experience under actual working conditions. Learning establishments are local business firms where the student receives on-the-job training and is paid at the same rate as part-time adults.

Fund raising activities this year included operating the football concession stands, selling Christmas trees, and sponsoring a school dance. These funds were used to sponsor a Christmas party for the Wayne County Children's Home, to send two officers delegates to the state convention in Columbus, Ohio, to take field trips, and to hold an Employers' Appreciation banquet.

The club voted at the beginning of the year to rotate officers for the president and vice president and retain a permanent secretary-treasurer. Each six weeks a new vice president was elected who in turn was elevated to the rank of president for the ensuing six-weeks period.

## Le Rendez-Vous Francais

The first meeting of French Club or "Le Rendez-Vous Francais" was held in September. At this meeting the students of the first and second French classes elected officers and established the fourth Thursday of every month as the regular meeting date.

In the winter, the French Club cosponsored the French-Spanish Christmas party. After a dinner, the students sang Christmas carols, acted out skits, and presented a gift to Mr. Scolaro. A dance concluded the program.

Mr. Michel, a professor at the College of Wooster, was a guest speaker at one of the meetings. His subject was education in his native Haiti.

The highlight of the year was the annual visit to the opera in Cleveland in April.

A special pizza party was held at the final meeting in May.

## Knights of the Square Root Table

Knights of the Square Root Table mathematics club of the High School was organized in January 1957.

Purposes of the club are to gain further knowledge in mathematics, to become aware of the applications of mathematics to related fields, to stimulate interest in mathematics, and to contribute to the advancement of science.

Membership in the club is open to any student who is taking or has taken algebra, plane geometry, solid geometry, advanced algebra, or trigonometry.

The math club has accomplished many things this year. It sponsored a dance after a basketball game, held a cake sale, and many interesting talks and reports were given at the regular meetings. The final event of the year was a Science Fair.

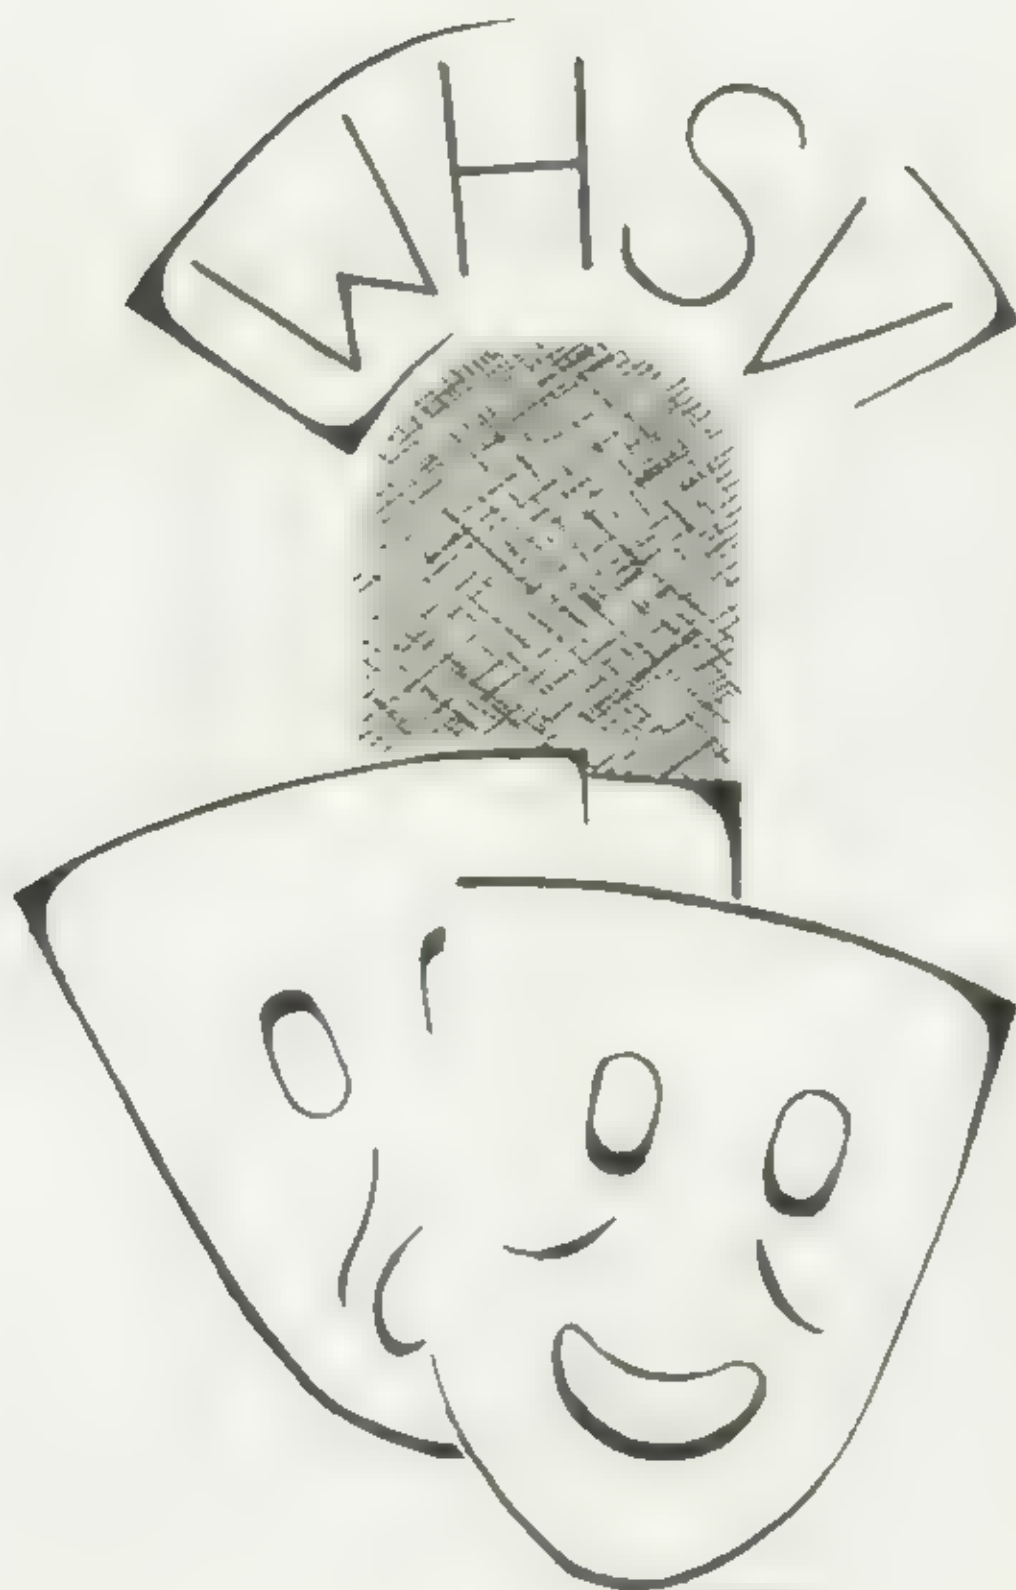

Fourteen members of our club have been inducted into Mu Alpha Theta — National Mathematics Club. The club is looking forward to having more students inducted into this club in the future.

During the school year 1967-68, the local chapter of NFL took in twenty-one new members which included the largest group of freshmen in years. The three freshmen debate teams won

## *Varsity Football*

November 15 saw the close of the 1957 football season with the best record since the undefeated team of 1949. Head coach Gene Coleman, assisted by Gordon Downie, John Riley and Roman Majerczak, guided the Generals to a very impressive eight win, one loss, one tie season.

Getting the show off with a bang, the combined efforts of the Generals downed Delaware 14-0.

The following week's action revenged last year's defeat, squeezing past Dover 8-7.

Hitting the road for two more victories, the Generals upset Canton South 12-0 and rugged Berea 20-13.

Returning home for a two game stand, the Wooster squad played perhaps its best game of the year, sweeping 14-0 over New Port. The game at Canton, however, is the next action of the Generals, being held 27-19.

On went the team of hardies to Ashland, downing the traditional foe 26-12.

Home not homecoming the following week, the high stepping Generals were held by Mansfield Madison to a 13-13 tie.

The following week disaster struck for Wooster. Invading Mt. Vernon with a fifteen game winning streak gave the Generals their only defeat 45-0.

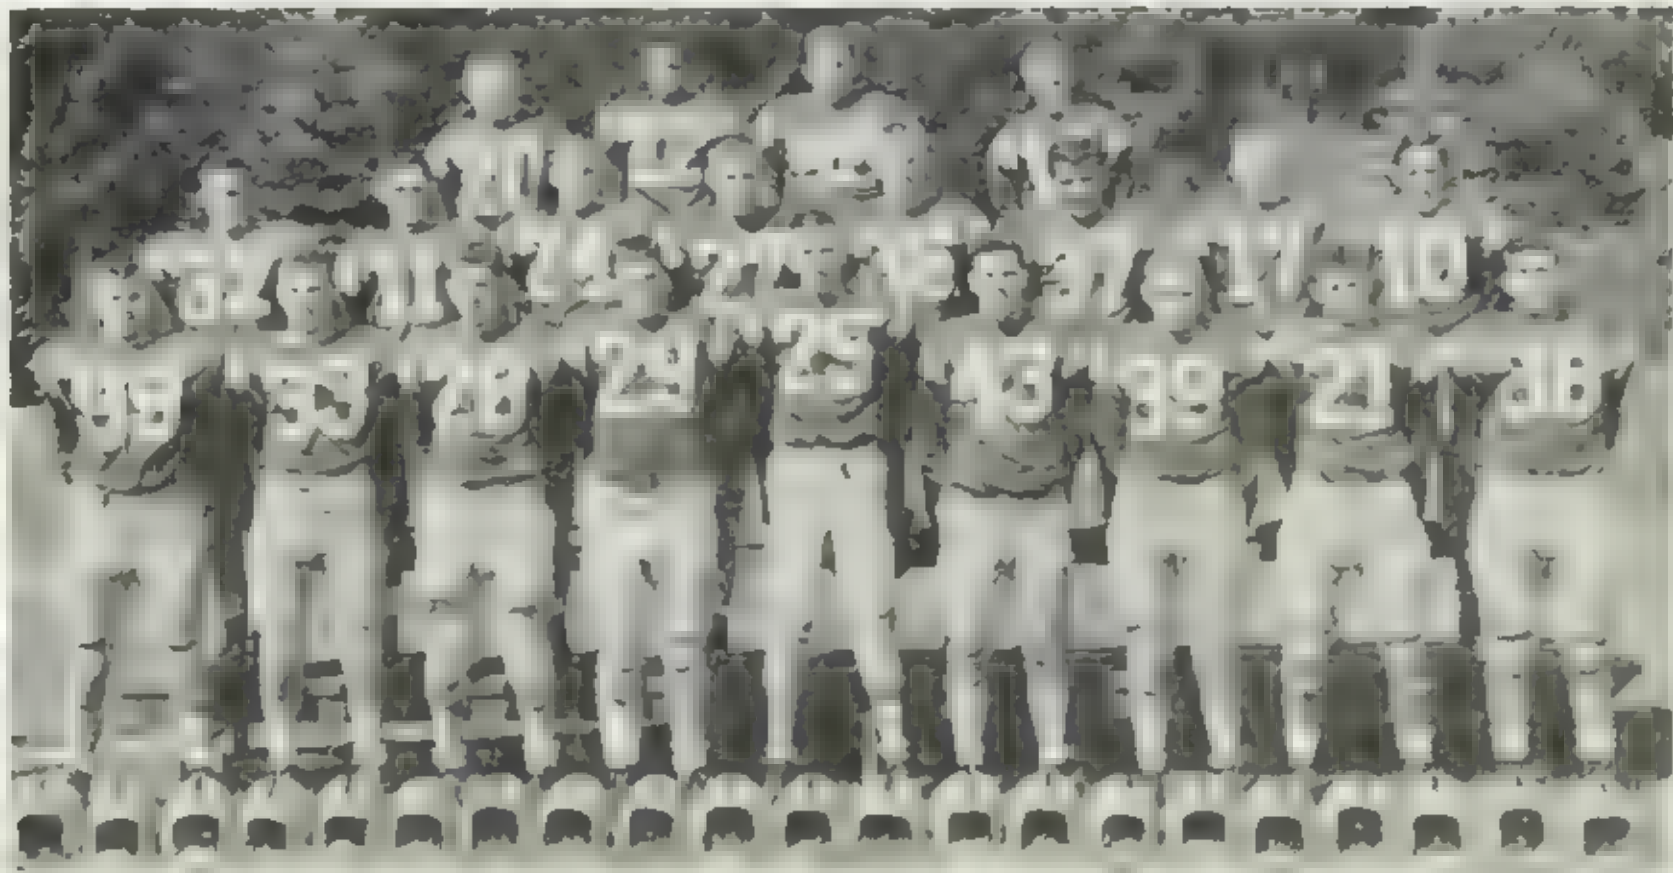

Traveling to Orrville the next week, the Wooster crew battled their old arch rival in a sub-freezing snow storm to the tune of 6-0.

Returning home for the last game of the season, the team romped over Cambridge 35-19.

The scrappy bunch of '57 Generals more than outdid their expectations. Hindered only by size and speed, but highly spirited team was ranked 22nd in the state at midseason and sixth at the close of the season. Truly this was one of the greatest teams Wooster ever fielded.

## Reserve Football

The 1957 edition of General Understudies proved to all that the next seven years are going to be successful ones for W.H.S. The JVs coached by Nick DeFuria and Jim Byrd, compiled a neat three win, four loss, one-tie record.

Preview action saw the future Generals repel a rugged freshman team 7-0.

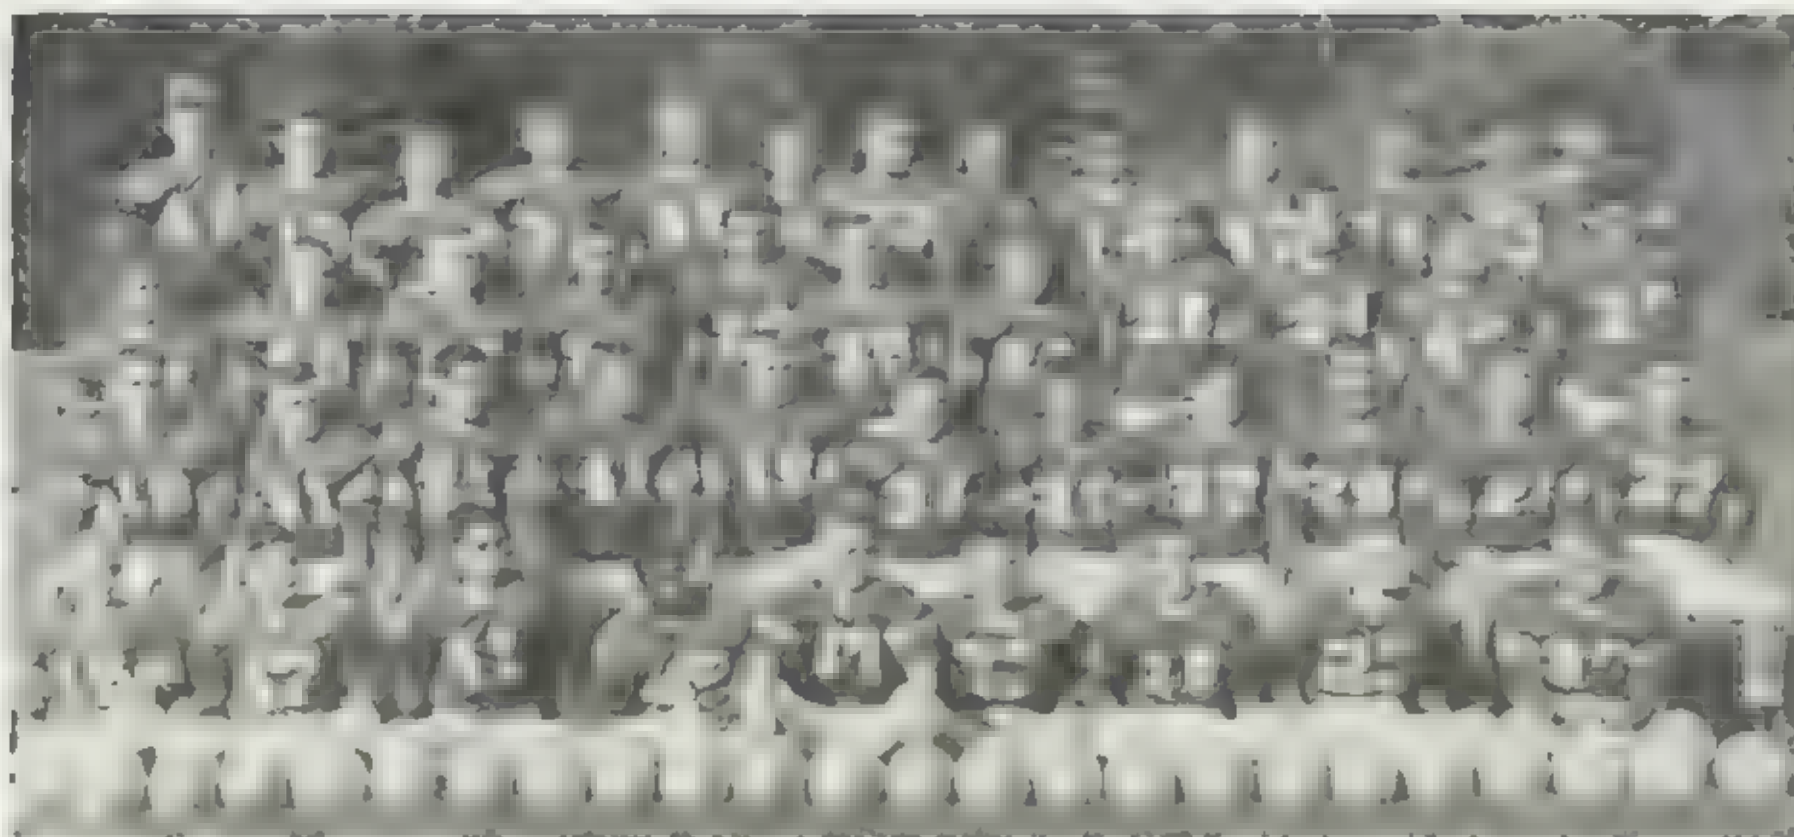

On into the season the reserves lost to tough Dover 25-18 and a very strong Elvria eleven 32-0.

The two other defeats were handed to Wooster by two aggressive varsity teams. Medina County champs stopped the JVs 31-6 and Wayndale held the reserves 2-0.

Victims of the future Generals this season were Wadsworth in the opener and Loudonville. Wadsworth went down 5-0. Wooster reserves gave Loudonville the worst beating of any Wooster JV team to the tune of 65-0.

Rival Ashland was the junior Generals only tie 0-0.

With better than half of the varsity being underclassmen, the reserves compiled every 100 record.

## Freshman Football

The youngest yet perhaps the largest team at W.H.S. had the best freshman record in quite some time. The Frosh, coached by Ken Zuercher and Dave Gallapoo, racked up a four win, two loss, no-tie season.

The future Generals lost both of their games to the reserve teams of Wooster and Wayndale. The Wooster JVs squeezed out a 7-0 preview win while Wayndale rocked to a 32-18 win.

The four wins came from evenly matched freshman teams. Dover went under 10-14 while a more stubborn New Philadelphia subsided 19-0.

Central Park, 14-0, Elvria, 27-13, and Elvria, 27-7. Wooster, 14-0, Elvria was downed to the tune of 27-13. Elvria, supposedly the toughest team the young crew was to meet, was put down in a hard fought 27-7 game.

The game with Wadsworth was cancelled this year because of the fact of an epidemic in that town.

In future years Wooster will have much to look forward to. With four freshmen on varsity and this tough team Wooster's opponents had better be on the alert.

## Boys "W" Association

The Boys "W" Association has completed another year as an active service organization of the school.

The Association is composed of the non-varsity winners of all the varsity sports. Advisers of the club are the varsity coaches of these same sports. Mr. Gene Coleman, WHS athletic director, serves the group as permanent adviser while the other varsity coaches assist when their sport is competing intrascholastically. There are a few varsity coaches who occupy the position of adviser of the organization.

Although not widely publicized, the services performed by the club continue to a great degree, the functioning of various school and athletic events.

Probably the most important and impressive activity of the organization is the formal induction service in the spring of each year. At this time new members are installed and instructed in their duties.

## Varsity Basketball

Swishing their way to fourteen wins in twenty-two games plus the District Championship, this year's edition of the Blue and Gold cagers set records and made history for W. H. S.

In actual season play the Generals won ten for seventeen games playing in the arena of Ohio State AA basketball. Of the seven defeats, only two were over fifteen points difference.

One of the history making feats the Byrdmen were able to accomplish was a sound beating of Ashland 74-63 thus breaking the Arrows eighteen year hold on Wooster.

When tournament time rolled around Wooster won the sectional AA championship beating Orville and Wayne City. For the first time in Wooster basketball history Wooster advanced to the District AA meet at Kent State.

At Kent Wooster's fabulous Generals surprised everyone but themselves by stopping Poland and state rated Youngstown South to capture the District Championship, climb into the "sweet sixteen," and win a berth at the Regional playoff.

Regional play saw the cagers pitted against a big and tough Cavalier Falls club who squeaked out a four point victory to end the 1957 — '58 basketball season for Wooster.

Wooster racked up 441 points another new record, for a 64.3 average. Sen. or Bill Maxwellman led the team with a record breaking total of 383 points.

This being the first winning season in five years plus all of the new records set the basketball season of 57 — '58 can be said to have been most successful.

This year's Frosh had a 40.6 average while their opponents had a 33.3 average. Leading the Freshmen was Dick Noble with a 10.9 average followed by Bill Miller with a 7.5 average. With this fine record Wooster has much to look forward to in the years to come.

## Varsity Swimming

Under the tutelage of a new coach the 1957-1958 aquamen won their first meet in two years where they had a record of 10-1. They won state championships at Canton, McKinley and other local meets. The losses Wooster suffered were quite acceptable.

At the district meet, the Wooster entry, paced by Ron Finley, placed sixth with 10 points while Ron captured second in the 200 yard freestyle.

Running into stiff competition at State, Ron placed seventh, bringing more honor to W.H.S.

With only four seniors on the team and many underclassmen returning next year as letter men, the swimming team is on the rise to becoming a winning team under Coach Downie.

## Wrestling

The 1957-58 matmen of Wooster turned in their best performance in the school's three-year history. Coming out on top of a 10-1 record the matmen proved that with more experience comes better results. Wooster opened the season with a 33-3 victory over Mansfield. After losing to Kent the squad won two in a row from Berberon and Massillon. Out of the last five matches Wooster won over Massillon, Mansfield Senior High and Cuyahoga Falls.

One of the high points of the year was Wooster's placing third in their district. They picked up 20 points to come in behind Crestwood and North Canton. This was every boy's dream because there were 50 teams participating in this event. Stewart McCoy, Paul Fischer and Bud Bender placed first in the Mike Tucker award in their weight classes thus qualifying for the state meet.

Mike Tucker and Stewart McCoy were champion in the contest but Bud Bender and Paul Fischer placed fifth in the state in their weight classes.

Four seniors will not return next year: Bud Bender, Paul Fischer, Curt Dunham, and Crin Hoover. These boys turned in fine performances and their presence will be missed next year.

Many underclassmen saw action this year and these boys will give Coach Majerczak the nucleus of a fine wrestling squad next year.

## Varsity Baseball

This year's team will have two new experts to work under. Coaches Nick Dellerba from Alliance and Gordon Downie, fresh from the campus of Hiram College. Working with past three lettermen, the coaches have much hard work with many underclassmen. Pay attention to players Lou Seap on the mound and Jim Zurcher at short. Senior Bill Musselman will strike the brick wall behind the padding at home.

## Golf

Working their way through a twelve meet schedule, this year's golfers are out to make this year's season a good one. With only a few more meets to go, the team is looking for a good crack at the starting line up. Next year the golfers should really be tough with the same team as this year. Further year the golfers will put on a fine performance for W. H. S.

## GAA Sportsboard

Sports Board, the governing body of the GAA, consists of four elected officers and ten appointed managers.

The purpose of Sports Board is to promote an active interest in the GAA and its program, and to plan and carry out a successful program of activities for the year.

The Board also represents the GAA in competition with other schools. This year the girls were the guests of Ashland High for several volleyball games. A combination of the Sports Board and the basketball All Star teams played host to Norwayne for a basketball game.

## Class History

Many tears have been shed as the Class of '58 has come to the end of its wonderful and cherished years at W. H. S. Naturally there were times when we thought we could burn the school down. But these times were well overshadowed by the enjoyable times we shall never forget.

What a good feeling it was to be regarded as a member of the high school instead of being treated as a pesky "junior-higher." Club Coed was old stuff and the "Y" was mobbed with freshmen. On the first day of school the conversation sounded something like this.

"Hey, Patsy, have you seen that new teacher in general science?"

"Wow, you mean Mr. Hetrick? I have him fifth period. And, Carolyn, who is the cute little man who is always with him?"

"Oh, that's 'Tweetie' Byrd. He teaches biology and is also teacher of our big Home Room 203. All the kids just love him!"

Jim Yocum held our first big office as president of the Latin Club. Carolyn Tissot was president of Junior G. A. A. Don Strock started his managing career. We had a good freshman basketball team with 6 wins and 5 losses. Bill Musselman was high scorer with 117 points.

The girls will never forget freshman Girls Chorus with Mr. Nickles as their director. They can still sing the refrains of many of the songs they learned, and in harmony, too.

Our class was officially organized in our sophomore year. At the beginning of the year we chose our class officers. Jim Yocum was elected president. Beth Kindsvatter, vice president. Carolyn Powell, secretary-treasurer; and Carolyn Tissot and Dave Brock, social chairmen. Mr. Randall Hartley and Miss Gladys Jacobs were chosen to advise the class.

Our first big event was the sophomore class party. It started with a potluck supper and was followed by dancing. We'll never forget Argo Stacey Argibrite as our M. C. for the intermission.

Our first Hi-Y clubs were organized that year with Gretchen Harmon as president of the Tri-Hi-Y and Ronnie Mandolin as Hi-Y president. The advisers were Miss Finsbaugh and Mr. Sadler. Jerry Telford was elected president of the second year Latin Club. That was the year of the big Roman banquet. "Money Man" was the fall play. And Fern Dix had the part of a fifteen-year-old cheerleader.

One unhappy incident occurred. Sandy Snyder and Ronnie Mandolin wound up in the hospital with minor injuries following an automobile accident. Others of the crew were just shook up.

At the beginning of our junior year Dave Brock was elected president and Don Cook vice-president. Kim Rice was elected treasurer and Carolyn Tissot and Phil Dunham were named co-social chairmen.

The football team had a good record of 6 wins and 3 losses and one tie. To climax our football season Beth Kindsvatter and Gretchen Harmon were elected as Junior Attendants for Homecoming.

Jennie Yoder played opposite Jim Hanger in the fall play, *Junior Miss*. Future Nurses Club was organized and Beth Kindsvatter was elected vice-president. Laura Liggett was president of Junior Tri-Hi-Y and Dan Strock was president of Junior Hi-Y. Janet Steiner presided over Library Club. Jeanette Treat was the only one receiving Honor Thespian.

This was the year of "pizza" and driver's licenses. Jennie Yoder's name will go down in history as the first driver training student ever to wreck the training car.

This was the year that our talented trio, the Skytones, originated. They will long be remembered. We can never forget the Battle of the Water Tower between the Class of '58 and the Class of '57.

Ten juniors joined National Honor Society. They were Jennie Yoder, Beth Kindsvatter, Sandy Ashton, Jeanette Treat, Pat Darstine, Gretchen Harmon, Janet Steiner, Phil Dunham, Jim Yocum, and Eugene Keil.

Don Sigrist was chosen to go on the United Nations pilgrimage. Gretchen Harmon and Janet Winner attended Girls' State and Gretchen Harmon attended Girls' Nation. Bill Ports and John Martin attended Boys' State.

## Class History

(continued from page one hundred thirty-eight)

Sandy Snyder had the lead role in the spring play "Adam and Eva."

The climax of our junior year was the Junior-Senior Prom. We thought that "Neptune's Gardens" was the best prom ever held at Wooster High. Carolyn Tassot and Phil Dunham did a terrific job as the head chairman. We will never forget the fabulous backdrop by Ann Sherwood and her committee at the intermission. Alice in Wonderland. Carolyn Tassot and Beth Kindsvatter were chosen as prom attendants. The evening was one of dancing and romancing. After the dance at the high school we all went to the Schines Theater to see "Desk Set." This was followed by another dance at the armory. And then breakfast at the Masonic Temple. The evening of such a lovely morning was ended when Paul Dunham won the grand door prize of fifty dollars.

Our senior year is full of wonderful memories. It started with the election of Curt Dunham as president; Bill Reesman, vice-president; Sandy Snyder, secretary-treasurer; and Pauline Crow and Terry Bishop co-social chairman.

Our football season was one which will do down in history with eight wins, one loss, and one tie. The season started off with a victory over Dover. We will never forget those thrilling touchdowns made by Bud Bender and Joe Miller. Our only tie was our homecoming game with Marshfield-Madison. We will never forget how beautiful Beth Kindsvatter looked as our homecoming queen. Her senior attendants were Anne Carney and Carol Joliffe. The season ended with a victory over Cambridge. The day started out as senior black day when the senior girls wore black. At 6:00 there was a special recognition assembly for all senior players. The favorite record of each player was played as Jennie Yoder read a few statements about each. After our victory over Cambridge all the seniors got together at the postgame dance and sang "In the Middle of an Island." Many tears were shed as we closed the dance with our Alma Mater.

Our basketball season was one we will never forget, especially that exciting evening that we beat Ashland for the first time in eighteen years.

At the end of our junior year Phil Dunham was elected to preside over the season as Student Council president. We think he was one of the best.

We were fortunate to have Lawrence Schmid from Switzerland spend the year with us.

Sandy Snyder was chosen president of the Thespian Society. Jennie Yoder presided over N. F. L. Chuck Levine was French Club president and Paul Fischer was Spanish Club president. Donna Corn headed Library Club and Pat Durstine and Dan Strock did good jobs as Hi-Y presidents. Beth Kindsvatter was president of Future Nurses Club.

One of the biggest productions Wooster High ever put on was the fall play, "Around the World in Eighty Days." The cast was made up mostly of seniors, and they all did a terrific job.

Donna Corn and Eugene Keen were chosen to take the trip to New York in the Spring.

Some of the spring events were the W. G. A. Convention, the spring concerts, the track meets, and the spring play.

This year we could go to the prom and really enjoy it. The Juniors did all the work. And what an event the evening was. Yes, it was the last prom that we would ever attend at Wooster High. It was an eerie feeling to think that we would never again attend the events of W.H.S. and really be a part of them.

The graduation dance was a night of dreams, and one of the saddest of evenings. This was really the last time the class of '68 would be together. The evening ended as everyone joined hands and sang "Auld Lang Syne."

But tonight was the following Sunday and Commencement the next evening. The words of "You'll Never Walk Alone" touched the hearts of every senior. And as we received our diplomas we knew that as long as we lived wherever we might be we would never forget the wonderful friendships and experiences that we had shared at Wooster High. To end our class history here is the closing phrase of "You'll Never Walk Alone."

"Walk on through the wind,  
Walk on through the rain,  
And you'll never walk alone  
You'll Never Walk Alone."

## Class Prophecy

Let's hop into our "Snrk" as we ride into the year of 1968. We shall take a trip around the planet Earth and see what has happened to those of the famed Class of '58.

As we near the Earth Snroosh! What was that? Who's driving that satellite which just side-swiped us? Hey, you! Can you hear us? I believe he's answering. Listen! Uh uh uh cee yuh." Oh, no! It's Dave Eby!

We are now directly over the North Pole as we see Sadie Henry Hudson trying to find Hudson Bay.

We're coming to New York City. There's Bill Reesman washing the windows outside on the U. N. building and look Pat Greenwald is washing the windows on the inside. Must have been fixed.

Let's take a peek in that television station over there. What is Beth Kindsvatter doing? Oh, I see now. She's blowing bubbles for Lawrence Welk. His bubble machine broke. Over here we see that Sue Warren has taken the place of Audrey Meadows on the Honeymooners. Why, where is Jackie Gleason? I can't believe it! It's the Doug Taylor show! You'd never guest who is doing the Maypo ad now. Yes, it's Terry Bishop!

Look quick! That's Atlantic City and they are holding the Miss America contest. Does not the judge with the red hat look familiar? It's Chuck Levine! And they have reached the final decision—Miss America 1968 is Pat Durstine!

We are now over the Capitol building in the Senate. Jim Collier has just broken the filibustering record.

Hold on tight as we lower our "Snrk" over Fort Knox. There's Dave Brock sitting in his private office counting all the gold.

There's Cindy Carlisle but where are we and what are all those big buildings? Get out Lutz Lufford Telescope, invented by Jerry Lufford so we can read that sign. It's Dobbs University and Cindy is head school mistress.

Hey, not so fast! We almost overlooked Wooster. Let's see whom we can find here. Now I've seen everything. Bud Bender has switched from World's Wrestling Champion to bouncer at The Ranch.

Oh yes, remember Mrs. Ellsworth's day nursery? Look at all the little children, but I don't see Mrs. Ellsworth. They say seeing is believing, but is that really Joe Miller and Stan Argabrite in charge? It really is!

A moment of silence as we pass over WHS. Let's look in the windows. Am I seeing things? Trent Zimmerman is teaching Word Problems. I guess Mrs. Stachell gave up. We see Helen Morgan has taken Mrs. Joss's place in the dean's office.

Curt Dunham and Gretchen Harmon are head custodians. They are kept busy chasing moths and "Millers" out of closets.

Say, what's this, a new sport at Wooster High? Larry Sandberger is the Yoga instructor. Wooster was top in the state this year.

Who's sitting on top of the flagpole? Yeow! Don't go so close! That was Kay Hoover. She has just broken the record for flagpole sitting.

We see several of our classmates in quite odd occupations. Jan Fox is writing an advice to the love-in column for the *Honny Record*. Don Cook is an excellent chicken packer. Donna Corn stuffs pimientos into olives and Jeanette Treat punches holes into donuts for Lard's.

There are a couple of new factories in Wooster. As we look into the new Kim Rice Soup Company we see Phyllis Trover putting the K's in alphabet soup. She seems to like her work. And there's the new Dupakum Hanger Factory which is owned by Ellen Dix, Carol Joffe, and Anita Carney. Wooster always needed a hanger factory.

Look at that oil truck. Isn't that a woman driving it? It's Janet Steiner—she's the first woman driver for Steiner Oil Company.

We see there's a circus in town and look Ronnie Konkle is the man on the flying trapeze. Ned Sledge is the head lion tamer, and would you ever believe it? Bub and Gerie Vinabo have become bareback riders.

Hey! Watch out. We're so busy watching the circus that we almost knocked that gal off the water tower. It's Sandy Snyder. Hey, Sandy! What are you doing? Oh, I see. You're chipping off boxes of paint and they won't put the ladder up until you're finished. Good luck!

Let's take a run up to Cleveland and see whom we can find there. Pat Smider is still having fun. She has been Miss KYW for ten years. An unequalled record! Isn't that nice?

## Class Prophecy

(continued from page one hundred fifty)

There's Dick Helmick. He's down in at the Roxy. He really gets a bang out of his work. Oh, no! Bill Mussemain has driven Joe Portaro out of business. The ladies flock to Monsieur Mussemain's Salon.

Ann Sherwood is giving a swimming and driving exhibition. She has become famous for her form. Don Strock is coach of the Cleveland Browns. Gary Rudy is star pitcher for the Indians.

We just received a news bulletin—Janet Winger has just cracked her jet!

Well, we had better leave Cleveland and continue westward. There's Indianapolis and look! Julie Buss just came in in first place at the Speedway.

As we fly over Wyoming we see Ronnie Mandomi riding the range on his weasel ranch. And there's the Cheyenne Rodeo. If it gets bronc rider down there is none other than Betty Eddy.

There's Hollywood! Dennis Flanders has just been named the best dressed man in Hollywood. Don Sigrust and Judy Buss have received the Academy Awards for their performance in Sammy.

Down there are the Hawaiian Islands. Joanne Wood is teaching the natives to do the Hula. She's quite talented, you know.

Let's speed up a bit here until we arrive in Europe. Switzerland is just ahead and there is Lawrence Schmid. He makes tiddies for tiddy winks. And there is the famous mountain climber, Larry Anderson.

As we look down on Monte Carlo we see Ross Jameson trying his luck. Eleanor Howey is nursemaid to all the royal kiddies.

Looking over Paris we see Carolyn Tissot giving one of her parties in a ritzy penthouse apartment. She never came back from her trip to Europe. She met a handsome Count and married him. Joanne Yoder has made a fortune in the world of fashion. Surely you have heard of the House of Yo Dior?

We can see Spain in the distance. Don Battig has taken up bull fighting. He's made quite a hit with all the senoritas.

We notice that Beverly Bollinger is a big game hunter in Africa. We always did know she would make history. Paul Fischer found a fifteen pound sard diamond, but he lost it.

As we cross the Atlantic the *Queen Mary* sails quietly under us. Becky Reynolds is the hostess, but she finds her job quite hard to take. She gets seasick.

See! That looks like someone swimming down there. It is! It is! It's Carolyn Murphy. She wants to be the first trans Atlantic swimmer. She doesn't seem to have much competition. The water must be cold.

Well, we've been all around the world and have seen what has become of our old classmates. We have always known we had the bestest (excuse please) Miss Nesbitt of classes. No one will ever forget Wooster High School's Class of '58.

## FHA

(continued from page sixty-nine)

## Tri-Hi-Y

(continued from page sixty)

The annual Big Little Sister picnic, which was held in the City Park again this year, gave new members a chance to become acquainted with the club.

In November, the annual Candlelight Induction Service was held jointly with the Hi-Y. Dr. Loren S. Hadley of Kent State University was the guest speaker.

Funds for the three clubs were raised by selling programs at the football games.

Just before Thanksgiving the annual citywide Scavenger Hunt was held in which food and clothing were collected for the needy families of Wooster.

Other annual affairs were the World Service Starvation Banquet, the Father-Daughter Banquet, and the Mother-Daughter Tea.

Each year Tri-Hi-Y contributes to the Community Chest and Tuberculosis funds.

Members participated in Y-Hour programs, the Good Friday Youth Service, and assisted with the March of Dimes campaign.

Tri-Hi-Y sponsored the Thanksgiving assembly, an all-school Christmas Formal, and co-sponsored an Easter assembly with the Hi-Y.

Officers attended Camp Nelson Dodd, an officers training camp in the summer, and an area conference at Hiram, Ohio, in December.

Active participation of the members in the club program was especially stressed this year.

## Societas Romana

(continued from page seventy-two)

Societas Romana is open to any student taking Latin I. The purpose of the club is to create more interest in Latin itself, to enrich the background of the students in Roman life and customs, and to point out to the students the importance of Latin in choosing a profession.

The program this year was planned around the theme "Our Roman Heritage." We were fortunate in having a talk by Dr. Robert Anderson, Latin professor at the College of Wooster, a panel of parents who discussed "Latin in Your Profession," and a Fun and Guest Night at the close of the year.

The club is a member of the Junior Classical League.

## Soc and Buskin

(continued from page eighty-two)

The purpose of Soc and Buskin Club is to promote interest and develop abilities in the field of dramatic arts. This includes not only acting, but the many behind-the-scenes tasks without which a play could not be produced.

Membership is open to those who have successfully completed one year in the Apprentice Group. Meetings are held once each month at which time guest speakers discuss some phase of the theater or the members themselves give original skits. Every year the club presents two three-act plays for the public. The fall production this year was "Around the World in Eighty Days." The spring production was the "Father of the Bride."

The ninety-five members of the second-year Latin Club continued their affiliation with the Junior Classical League.

Programs included a play showing the value of a knowledge of Latin in English word building, a Christmas program in Latin and English, and a satire on Roman gods and goddesses. The climax of the year was the Roman banquet with guests in togas and stoles, a typical menu "deavo ad mala," and entertainment between courses in true Roman fashion.

## Band

(continued from page ninety)

This is the first year that Wooster High School has had percussion marching, which produced judging from applause and comments, many favorable opinions.

After the football season the Music Mothers had a party for the band.

The band played on various occasions, including High School Day at the College of Wooster, the dedication of the new High School gym, Wayne County Fair, and the Memorial Day Parade.

The concert band gave an outstanding concert this year. Especially well accepted were

*The Hallelujah*, Johann Strauss; *Raymond Overture*, Ambrose Thomas; *Knight's Ride March*, Eric Coates; *Relax*, Paul Yoder; *Bugler's Holiday*, Leroy Anderson.

## Orchestra

(continued from page ninety-two)

The annual spring concert was the outstanding highlight of the year for the orchestra. Two of the numbers which the orchestra presented were "Lindbergh" by Sibelius and "Symphony Number 1: First Movement" by one of the orchestra, William Schuman. The director of the orchestra this year was Mr. Kenneth Willaman.

Other appearances of the orchestra were at the fall play, a music assembly, Baccalaureate services, and the Commencement exercises.

This year for the first time the orchestra took a trip to Cleveland to hear a concert of the Cleveland Symphony Orchestra.
